

The Lynn Hickey Professional Development Scholarship
Application Due September 28, 2008

Time is short, but it is not too late to apply for financial support for the November conference in Burlingame.

This scholarship has been established to honor Lynn's lifelong commitment to arts education. Lynn shared with others that what was important to her was "being eager to learn and share in my quest for knowledge." So that these opportunities may continue, THE LYNN HICKEY PROFESSIONAL DEVELOPMENT SCHOLARSHIP has been established.

To provide CAEA members with funds to attend the annual CAEA conference when other sources of financial support are unavailable. It could cover registration, substitute teachers, travel, master artist classes or lodging.
